

## E-BOOKS

### CHEMISTRY PACKAGE

1. Advances in Carbohydrate Chemistry and Biochemistry  
<http://www.sciencedirect.com/science/bookseries/00652318>
2. Advances in Catalysis  
<http://www.sciencedirect.com/science/bookseries/03600564>
3. Advances in Planar Lipid Bilayers and Liposomes  
<http://www.sciencedirect.com/science/bookseries/15544516>
4. Annual Reports in Computational Chemistry  
<http://www.sciencedirect.com/science/journal/15741400>
5. Annual Reports in Medicinal Chemistry  
<http://www.sciencedirect.com/science/bookseries/00657743>
6. Annual Reports on NMR Spectroscopy  
<http://www.sciencedirect.com/science/journal/00664103>

### LIFE SCIENCE PACKAGE

7. Advances in Applied Microbiology  
<http://www.sciencedirect.com/science/bookseries/00652164>
8. Advances in Cancer Research  
<http://www.sciencedirect.com/science/bookseries/0065230X>
9. Advances in Genetics  
<http://www.sciencedirect.com/science/bookseries/00652660>
10. Advances in Immunology  
<http://www.sciencedirect.com/science/journal/00652776>

11. Advances in Microbial Physiology  
<http://www.sciencedirect.com/science/bookseries/00652911/63>
12. Advances in Parasitology  
<http://www.sciencedirect.com/science/journal/0065308X>
13. Advances in Pharmacology  
<http://www.sciencedirect.com/science/bookseries/10543589>
14. Advances in Protein Chemistry and Structural Biology  
<http://www.sciencedirect.com/science/bookseries/18761623>
15. Advances in Virus Research  
<http://www.sciencedirect.com/science/journal/00653527>
16. Current Topics in Developmental Biology  
<http://www.sciencedirect.com/science/bookseries/00702153/80>
17. Current Topics in Membranes  
<http://www.sciencedirect.com/science/bookseries/10635823>
18. International Review of Neurobiology  
<http://www.sciencedirect.com/science/bookseries/00747742>
19. Methods in Microbiology  
<http://www.sciencedirect.com/science/bookseries/05809517>
20. Progress in Medicinal Chemistry  
<http://www.sciencedirect.com/science/bookseries/00796468>
21. Progress in Molecular Biology & Translational Science  
<http://www.sciencedirect.com/science/bookseries/00796603>
22. Vitamins and Hormones  
<http://www.sciencedirect.com/science/bookseries/00836729>
