No. Admn (E)/1.2.2.1/3772 CIRCULAR

It is informed that with due consideration on the recommendations of the Medical Services Advisory Committee (MSAC), w.e.f. 2023 onwards the NII employees who are superannuating from the Institute will now have to pay the medical subscription for a period of one year for availing medical benefits instead of three years.

MSAC is also of the opinion that NII retirees who have already made payment towards obtaining medical benefits from NII as per the old norms will be considered for fresh annual renewal only on expiry of their three year medical subscription period in accordance to the fresh instructions issued.

This issues with the approval of the Competent Authority.
