

# iBRIC+ BIOTECH SPOTLIGHT WEBINAR

 **DATE: 5<sup>th</sup> APRIL 2025**

 **TIME: 11:00 AM ONWARDS**

 **Gentle Reminder!**

Join us for expert insights into cutting-edge biotechnology! Stay in the loop and keep learning!

## SPEAKERS :

**Dr. Narottam Acharya**

**Scientist-G**, BRIC- Institute of Life Sciences , Bhubaneswar

**Talk Title:** "Antifungal Vaccines: A Possible Reality"

**Key Publications:** EMBO Molecular Medicine-(2024), eLife-(2024), and mBio-(2024)

**Dr. Vikas Rishi**

**Scientist-G**, BRIC-National Agri-Food and Biomanufacturing Institute , Mohali

**Talk Title:** Ginger-Derived MicroRNA-Enriched Extracellular Vesicles Enhance Glucose and Lipid Metabolism, Protect Pancreatic  $\beta$ -Cells, and Modulate Preadipocyte Differentiation: Implications for Type 2 Diabetes and Obesity

**Key Publications:** Small (2025), Journal of Endocrine Society (2024), Frontiers in Molecular Biosciences (2021)

**Dr. Bhavana Muralidharan**

**Scientist-E**, BRIC- Institute for Stem Cell Science and Regenerative Medicine, Bangalore

**Talk Title:** Deciphering the Cellular and Molecular Basis of Neuropsychiatric Disorders.

**Key Publications:** Stem Cells (2024), Oxford Open Neuroscience (2024)
