

A BRIC-NII Workshop

# Communicating Research for Impact

The BRIC-National Institute of Immunology is pleased to announce a 2-day workshop, "Communicating Research for Impact", aimed at building capacity in research uptake so that research findings are effectively communicated and applied in policy, practice and decision-making. This workshop is designed for early-career researchers and senior PhD scholars.

**Research  
Uptake**

**Science  
Communication**

**Public  
Engagement**

**Policy  
Engagement**

**Media  
Engagement**

**10-11 February 2025**

**BRIC-National Institute of Immunology  
New Delhi**

This workshop is supported by BRIC-NII and DBT-Wellcome Trust India Alliance.
